Subject: European Science and Technology Network on Unconventional Hydrocarbon Extraction
Working Group Meeting 23/24 February 2015, Brussels

To: Giovanni.DE-SANTI@ec.europa.eu

Dear Madame/Sir,

I am pleased to announce the acceptance of your expression of interest to take part in the Working Groups of **European Science and Technology Network on Unconventional Hydrocarbon Extraction** launched by the European Commission on 8th July 2014.

I am also very pleased to announce that the first meeting of the two Working Groups will take place on next **February 23rd (pm) and February 24th (am) 2015 in Brussels**. I kindly ask you to save the date in your agenda. In the following days you will receive more detailed information on the agenda and logistics of the meeting.

I would like to take the opportunity to reiterate that the main goal of the Network is to collect, analyse and review results from exploration projects as well as to assess the development of technologies used in unconventional gas and oil projects. The Network is managed by the European Commission's Joint Research Centre and steered by a Steering Group comprising EC Directorates General (JRC, Energy, Environment, Enterprise and Industry, Climate Action, Research and Innovation).

Further details can be found in the mandate of the Network available in the Network web site page (<https://ec.europa.eu/jrc/uh-network>). In this page we will also find a **registration page for the Working Groups meeting**, You will receive all necessary information in our next communication.

We are at your disposal should you require any further information. If you have any questions, please contact us at JRC-IET-UHNetwork@ec.europa.eu.

Best regards,

Giovanni De Santi

Subject: European Science and Technology Network on Unconventional Hydrocarbon Extraction
Working Group Meeting 23/24 February 2015, Brussels

To: Giovanni.DE-SANTI@ec.europa.eu

Cc: JRC-IET-UHNETWORK@ec.europa.eu

Dear Madam/Sir,

Following up on my mail below where I indicated I would forward information on the Working Group meetings, I am pleased to communicate the following details:

Kick-off Working Group 1 ("Exploration, demonstration and production projects in the EU") will take place on 23 February 2015 from 15h00-18h00 in the Charlemagne Building in Brussels, Rue de la Loi 170, The Gaspari Room.

Kick-off Working Group 2 ("Emerging Technologies for well simulation") will take place on 24 February 2015 from 9h00-12h00 in the Committee of the Regions Building in Brussels, Rue van Maerlant 2, VMA 1 room, 2nd floor.

You can now register at the following link:

<https://web.jrc.ec.europa.eu/rem/>

In order to register for the meeting, you need to **create a registration profile**, enter the site using your profile, select "Brussels" from the column 'site'. Finally, select the name of the meeting: Workgroup 1 or Workgroup 2 – Kick-off meeting Unconventional Hydrocarbon Network. If you participate in both Workgroups, please register in Workgroup 1 AND in Workgroup 2. Please note that we cannot process registrations

via email, so all participants have to register online.

The deadline for registration is 18 February 2015.

We are at your disposal should you require any further information. If you have any questions, please contact us at JRC-IET-UHNetwork@ec.europa.eu

Kind regards

Giovanni De Santi
